PREFACE	xiii
INTRODUCTION: PURSUING A VISION	1
SECTION I: FRAMING THE LANDSCAPE	
Section Overview	9
Chapter 1. The Mandate for Broadening Participation: Developing the Best Minds and Solutions <i>Beverly Karplus Hartline and Muriel E. Poston</i>	13
Chapter 2. Building on the BEST Principles and Evidence: A Framework for Broadening Participation <i>Daryl E. Chubin and Wanda E. Ward</i>	21
Chapter 3. Undergraduate Research within a Framework of Inclusive Excellence <i>Nancy O'Neill</i>	31
Chapter 4. The Benefits of Undergraduate Research, Scholarship, and Creative Activity <i>Jeffrey M. Osborn and Kerry K. Karukstis</i>	41
SECTION II: DEVELOPING AND INITIATING PROGRAMS	
Section Overview	57
Chapter 5. Optimizing Research Productivity while Maintaining Educational Excellence: A Collaborative Endeavor <i>Jeffrey D. Evanseck, Ellen S. Gawalt, Ayivi Huisso, Jeffrey D. Madura, Stacie S. Nunes, Remi R. Oki, David W. Seybert, and Ramaiyer Venkatraman</i>	65
Chapter 6. Strengthening Inter-Institutional Ties: Extending Research Partnerships to a Two-Year College Campus <i>Linette M. Watkins</i>	77
Chapter 7. Building Skills, Connections, and a Culture of Research with Freshman and Sophomore Students <i>Laura A. Guertin and Ivan E. Esparragoza</i>	89
Chapter 8. Linking Research and Learning: A Journey of Discovery and Creativity <i>Penny Coggins</i>	101

Chapter 9.	Integrating Research into the Curriculum: Using Laboratory Modules to Engage Faculty and Students <i>Gabriela C. Weaver, Donald J. Wink, Pratibha Varma-Nelson, and Fred E. Lytle</i>	109
Insight A.	A Statewide Initiative for Engaging Undergraduates in Research: Aligning Efforts While Fostering Innovation <i>Ted M. Clark</i>	121
Insight B.	Starting and Sustaining Research Programs at Two-Year Colleges: Creating a Scholarly Community and Supportive Environment <i>Thomas B. Higgins and Morna R. Brothers</i>	126
Insight C.	Building Faculty and Institutional Research Capacity Through Regional Partnerships <i>Mary T. Berry and Andrew G. Sykes</i>	130
Insight D.	Opening the Door to Early Student Involvement in Scholarly Activity: Coordinating Efforts and Providing Financial Support <i>Rebecca A. Pyles and Foster Levy</i>	134
Insight E.	Catalyzing Sustainable Partnerships: Expanding a Pilot Program for Rising First-Year Students <i>Patricia J. Pukkila, Nalin R. Parikh, and Harold Woodard</i>	137
Insight F.	Integrating Undergraduate Research Activities into a Campus-Wide Initiative <i>S. Suzan J. Harkness, Valbona Bejleri, Deepak Kumar, Ahmet Zeytinci, Rachel M. Petty, and Freddie M. Dixon</i>	140

SECTION III: STRENGTHENING AND EXPANDING PROGRAMS

Section Overview	147	
Chapter 10.	The Disparate Evolution of Undergraduate Research: From Individual to Institutional Efforts <i>James L. Hill, Marva O. Banks, and Andrew Floyd</i>	153
Chapter 11.	Enriching a Culture of Research: Extending Opportunities to a Broader Community <i>Karen Nordell Pearson, Kenneth L. Brown, Herbert L. Dershem, Kathy Winnett-Murray, Christopher C. Barney, and Moses N.F. Lee</i>	167
Chapter 12.	Empowering Undergraduates to Lead Teams of Researchers with Different Levels of Experience and Perspectives <i>Sherri J. Morris, Kelly D. McConnaughay, and Robert J. Wolffe</i>	179

Chapter 13. Fostering Recruitment, Retention, and Learning with a Research Course Designed for First-Year Students <i>Mark L. Biermann</i>	191
Chapter 14. Integrating Interpreting, Hearing, and Deaf Students in Summer Research <i>Gina MacDonald</i>	199
Insight G. Conducting Research with Early Undergraduates and Students with Special Needs <i>Todd Pagano</i>	211
Insight H. Taking a Team Approach in an Internship Program for Deaf and Hard-of-Hearing Undergraduate Students <i>Peggy Cebe</i>	215
Insight I. Developing Cohorts, Fostering Retention, and Nurturing Careers <i>Carolyn B. Dowling and Robyn E. Hannigan</i>	219
Insight J. Providing Research Experiences to Non-Science Majors in an Introductory Science Course <i>Rachel J. Beane and Joanne Urqhart</i>	223
Insight K. Undergraduate Research Teams: Creating a Vertical Infrastructure to Increase Participation <i>Margaret P. Martinetti, P. Andrew Leynes, Christopher M. Medvecky, Amy L. Benson, and Elizabeth L. Paul</i>	227
Insight L. Leading the Way: Creating an Institutional Undergraduate Research Culture <i>David R. Brown and Kathy L. Tyner</i>	230

SECTION IV: SUSTAINING AND EVOLVING PROGRAMS

Section Overview	237
Chapter 15. Filling the Gap: The Role of Undergraduate Research in Student Retention and Academic Success <i>Sandra R. Gregerman</i>	245
Chapter 16. Developing Scholars: Targeting Excellence Using the Axiom of Achievement <i>Farrell J. Webb and Anita R. Cortez</i>	257
Chapter 17. Establishing Relationships and Partnerships to Engage Native-American Students in Research <i>Jani C. Ingram</i>	269
Chapter 18. Institutional Transformation: Establishing a Commitment to Research and Student Success <i>Frank T. Bayliss, Alan R. Peterfreund, and Kenneth A. Rath</i>	281

Chapter 19. The Emergence of Undergraduate Research in the Course of Institutional Change <i>Benjamin C. Flores, Ann Darnell, and Jana Renner</i>	295
Chapter 20. Growing a Vibrant Research Program with Non-Traditional Students: Strategic Use of Time and Energy <i>Aida Abraha and David R. Kanis</i>	307
Chapter 21. Transforming the Academy: Fulfilling the Promise of Leadership <i>Valerie Petit Wilson</i>	319
Insight M. Facilitating Seamless Transitions from Two-Year to Four-Year Institutions <i>Gail E. Gasparich</i>	331
Insight N. Community Health-Based Internships as an Entry Into Research <i>Paula F. Dehn</i>	334
Insight O. Maximizing the Impact of Early Engagement in Undergraduate Research Through Synergistic Activities <i>Bridget L. Gourley</i>	337
Insight P. Opening a Gateway to Research for Freshman and Sophomore Students: Providing Opportunities and Mentoring <i>Linda Blockus</i>	341
Insight Q. Linking into the Academic Network: Supporting Student Success and Program Growth <i>Alphonse Kasley and Angela Johnson</i>	345
CONCLUSION: NAVIGATING THE LANDSCAPE	351
