¹ Please note that funding levels included in the FY 2010 budget request for specific Offices, Divisions, and Programs within NSF, are not all included in the FY 2010 House CJS bill.

² The NSF Office of Legislative and Public Affairs explained that from the \$86.99 million included in the FY 2010 budget request for "Curriculum, Laboratory and Instructional Development," \$40.21 would be reserved for CCLI, a 1.8% increase of the amount awarded in FY 2009. There is no specific amount included within the President's FY 2010 budget request for CCLI, and all other amounts in this chart for CCLI are based off of the amount provided by the Office of Legislative and Public Affairs.

³ REU and RUI are cross-cutting NSF programs.
