

***Broadening Participation in Undergraduate Research:
Fostering Excellence and Enhancing the Impact***

Editors:
Mary K. Boyd
Jodi L. Wesemann

Engaging undergraduate students in research, scholarship, and creative activity is a proven and powerful practice for enhancing educational outcomes and expanding frontiers of knowledge. This book is a rich collection featuring institutions that are maximizing the impact of this practice by including:

- Underrepresented ethnic and racial minorities,
- Students with disabilities,
- Females,
- Students of lower socioeconomic status,
- First- and second-year students, and
- Others not traditionally involved in the new development of new knowledge.

Examples of high-quality, inclusive programs from community colleges, primarily undergraduate institutions, minority-serving institutions, comprehensive universities, and research universities will help faculty, staff, and administrators enhance:

- The lives of their students,
- The direction of their scholarship, and
- The impact of their disciplines and institutions.
