

Table 1: Institutional Characteristics of Lancy Recipients

School	Public/ Private	Undergraduate Size	Graduate Size	Carnegie Classification
1999				
Bowdoin College	Private	1,723	0	Baccalaureate College-Arts & Sciences
Colgate University	Private	2,750	30	Baccalaureate College-Arts & Sciences
Loyola Marymount University	Private	5,509	1,962	Masters L
University of South Dakota	Public	6,952	2,339	Doctoral/Research Universities
University of Toledo	Public	20,406	2,930	Research University-High level
University of Wisconsin-Eau Claire	Public	10,346	543	Masters M
2000				
College of William and Mary	Public	5,850	2,042	Research University-High level
SUNY at Buffalo	Public	19,022	9,170	Research University-Very High
University of Puerto Rico- Humacao	Public	4592	0	Baccalaureate College-Diverse
Eckerd College	Private	1,807	0	Baccalaureate College-Arts & Sciences
2001				
Bridgewater State College	Public	8,497	1,772	Masters L
Central Washington University	Public	10,181	481	Masters L
College of St. Benedict and Saint John's University	Private	4,000		Baccalaureate College-Arts & Sciences
Elmhurst College	Private	2,400	230	Masters S
2002				
University of Nebraska (Kearney)	Public	18,866	4,591	Masters M
Luther College	Private	2,398	0	Baccalaureate College-Arts & Sciences
2003				
Albion College	Private	1,860	0	Baccalaureate College-Arts & Sciences
St. Vincent College	Private	1,652	166	Baccalaureate College-Arts & Sciences
2004				
Montana State University- Bozeman	Public	10,519	1,850	Research University-Very High
Central Missouri State University	Public	8,627	1,786	Masters L (large programs)
2005				
Susquehanna University	Private	2009	0	Baccalaureate College-Arts & Sciences
Western Carolina University	Public	7,130	1731	Masters L (large programs)
2006				
University of Texas-San Antonio	Public	25378	3755	Masters L (large programs)
Northern Arizona University	Public	15827	5586	Research University-High
2007				
College of New Jersey	Public	6205	759	Masters L (large programs)
St. Olaf	Private	3007	0	Baccalaureate College-Arts & Sciences
