The purpose of this Registry is to facilitate match-making between undergraduates with research experience and a desire to pursue an advanced degree, and graduate schools seeking high quality students who are well prepared for research. This form here is for students wishing to enter graduate schools upon graduation. If you are looking for the undergraduate student registration form for entry into the workforce, please [click here](#).

Undergraduate student registration form for entry into graduate school

Fields marked with * are required for your record to be accessed by graduate schools.

1. General Information

First name * Last name *

Address *

City * State * Zip *

School *

Email address *

Major *

Research Interest *
(field within your major)
(e.g., Organic Chemistry, Chemical Physics)

2. Date of Graduation / *

3. Planned date to enter Graduate School /

4. GPA

- GPA * GPA in Major * (as of Month/year /)*
- Please check here if your school uses narrative evaluations (No GPA Available)

5. GRE Test

GRE General Test: Month / Year taken /

(optional) Verbal Math Analytical

GRE Subject Test:

(optional) Score

Month / Year taken /

6. Undergraduate research experience completed or planned.

Senior thesis

Subject (if known)

Expected date of completion Month / Year

Does your senior thesis involve original research?

Yes No

Research advisor

Summer undergraduate research
