June 27-29, 2022

Limited Seating Available for Dialogues 2022
Don't miss out! A few spots remain for the CUR Dialogues Standard course, which offers daily live content, updates and breakouts from funders, and access to the online community. Navigating the ins and outs of grant funding for your undergraduate research program can feel like climbing a mountain. So let CUR Dialogues (Virtual, February 14-18, 2022) assist you in reaching the summit. Register today >>

Look Good, Feel Good: NCUR Swag
You have done the work, mentored your student as they prepare their presentation, and made sure they registered for NCUR 2022 @home. Now celebrate by purchasing your own NCUR 2022 @home apparel from our Swag Store! Choose from t-shirts, polos, sweatshirts, and more to show your appreciation for this prestigious conference. Then share the link with your students so they can present in style. Purchase before February 23, 2022.

Dates Announced for Posters on the Hill
Student presentations and celebrations will take place in a virtual event on April 26-27, 2022 between 2:00-4:00 PM ET each day. Posters on the Hill is a critical element in CUR's advocacy efforts. The public is encouraged to attend and show support for these accomplished undergraduate research students presenting their findings. More information will be posted on the website as the event approaches.

Featured Undergraduate Research Highlights

General Education with a Twist: Material Culture Research to Festival of Student-Created Films
At Michigan State University a pandemic pivot led to a successful student film festival.

Let Us Celebrate You!
Has your student recently been published, won an award, or completed their research? Has your institution written a piece about undergraduate research? Let us celebrate you. Click below to find out how to be highlighted in our monthly release.

Award Deadline | March 15, 2022

Attention Geoscientists

The AGU Bridge Program increases opportunities for students from historically marginalized populations to obtain graduate degrees and create a network of peers, mentors, and advisers to support and serve them before, during, and after grad school. The program is open to those who have not applied to graduate school or those who applied and were not accepted. The application deadline is March 31, 2022. More Information>>

Overby Joins NEH's National Council on the Humanities

Congratulations to CUR member Lynnette Young Overby, professor of theater at the University of Delaware and director of the university's Community Engagement Initiative, for this accomplishment. Read the NEH announcement here>>

NSF Updates

Feb 28 - Implementation of the new SAM UEI to replace DUNS in NSF systems
Jan 10 - Updated NSF pre-award and post-award disclosure table
