

NCUR 2018 Pre-Conference Workshops

Workshops Registration

This first-ever NCUR event is **free**; however, **only students who register to attend** the Pre-Conference Workshops will be able to enjoy this unique experience. When registering to attend the main NCUR 2018 conference, students will need to register also for one of the following five Pre-Conference Workshops tracks: American Indian Studies, Business Energy Sector, Early Childhood Education through an International Lens, Forensic Sciences, or Interdisciplinary Arts. Since concurrent sessions for each Track occur simultaneously, students may **register to attend only one Track**.

Track registration slots are limited, and registration is offered on a first-come, first-served basis. Pre-Conference Workshops registration in any Track automatically includes access to: attendance at the Welcome & Kick-Off with the panel and featured artist; attendance at four slots of Track concurrent sessions with snacks and beverages; and, attendance at the Interdisciplinary Arts Showcase with eligibility to win free giveaways where students must be present to win.

Students who have registered may pick up their name badge (which grants access to all Pre-Conference Workshops activities) and other registration materials beginning at 9 a.m. on Wednesday, April 4th in the Nigh University Center.

Don't miss this opportunity to network and interact with professionals and students from across the country. All at no additional cost to you or your institution.
