

NCUR 2018 Pre-Conference Workshops

Workshops Schedule

Pre-Conference Workshops are **free** and a unique opportunity for students who attend NCUR 2018! When registering to attend the main NCUR 2018 conference, students will register also to enjoy the Pre-Conference Workshops experience by selecting one of five tracks to participate. View the website information on each Track to learn which focus might be best for you.

After you pick up your registration badge as early as 9 a.m., your fun begins on Wednesday, April 4th at 1 p.m. in the Nigh University Center on the University of Central Oklahoma (UCO) campus. The Pre-Conference Workshops experience kicks off with a Welcome that you do not want to miss; a conversation among panelists becomes the inspiration for featured artwork as those in attendance watch the artist create his masterpiece. And, BYOD (bring your own device) to take part in the fun!

Following the Kick-Off, students will attend concurrent sessions in the track for which they registered. Four slots of concurrent sessions across all tracks provide an opportunity for students to explore career information, engage with guest speakers, and interact with like-minded others from across the country.

To conclude the Pre-Conference Workshops experience, all students will gather for an Interdisciplinary Arts Showcase and performance in UCO's newly renovated Mitchell Hall. Students who are present will enjoy lots of **free** giveaways.

The complete Pre-Conference Workshops Schedule is below. Hurry to register, since all Tracks have limited registration slots!
