Student Name	First Last
Address	Address 1 Address 2 City, ST Zip
Email	Email
URL to personal website and resume	NA
School	Knox College
Major	Chemistry
Research Interest	Organic Chemistry, Analytical Chemistry
Date of Graduation	06 / 2008 (month/year)
Planned date to enter Graduate School	08 / 2008 (month/year)
GPA	3.89
GPA in Major	4.0 (As of 08 / 2007)
Interested in graduate school in the following parts of the country	No preference
Undergraduate Research experience completed or planned	
Senior Thesis	Subject: Synthesis of beta aminophosphonic acids Expected date of completion: 05 / 2008 Does the senior thesis involve original research? NA Research advisor: Professor Name
Summer Undergraduate Research	Site: Institution Project: Synthesis of beta aminophosphonic acids Date: June-August / 2007 Research advisor: Professor Name
Summer Internship	NA
Academic-year research experience describe	Independent study to learn advanced lab techniques required for summer research and honors project. Spring term, 2007: March-May.
Other	NA
