Location: Minneapolis, MN
Usual Date: April
Website: <http://www.macalester.edu/mupc/index.html>

Name: Lehigh Valley Association of Independent Colleges (LVAIC) Undergraduate Psychology Conference and Lehigh Valley Society for Neuroscience (LVSfN) Undergraduate Neuroscience Conference
Location: Lehigh Valley (Eastern PA)
Usual Date: April
Website: <https://www.moravian.edu/psych-conference/lvaic-psychology-neuroscience-conference>

Name: Western Pennsylvania Undergraduate Psychology Conference
Location: Western PA
Usual Date: April
Website: <https://www.mercyhurst.edu/wpupc/past-conferences>

Name: ILLOWA Undergraduate Psychology Research Conference
Location: Midwest (Illinois, Iowa, Missouri)
Usual Date: April
Website: <https://sites.google.com/site/illowapsych/>

Name: Psychology Undergraduate Research Conference at UCLA
Location: Los Angeles, CA
Usual Date: May
Website: <https://purc.psych.ucla.edu/>

Name: Stanford Undergraduate Psychology Conference
Location: Palo Alto, CA
Usual Date: May
Website: <http://www.stanfordconference.org/>

Name: Hudson Valley Undergraduate Psychology Conference
Location: Orangeburg, NY
Usual Date: May
Website: https://my.dc.edu/ICS/Academic_Programs/Social_Sciences/Psychology/Conference/

Name: mGluRs: Midwest/Great Lakes Undergraduate Research Symposium in Neuroscience
Location: Midwest (e.g., Ohio, Indiana)
Usual Date: September/October
Website: <http://mglurs.org/>

Name: Midbrains: The Undergraduate Neuroscience Conference of the Upper Midwest
Location: Minnesota
Usual Date: November
Website: <http://www.midbrains.org/conf/>

Name: Tri-State Undergraduate Psychology Research Conference
Location: Midwest (Illinois, Iowa, Wisconsin)
Usual Date: November
Website: <http://www.coe.edu/academics/psychology/psychology-conference>

**Note that regional psychology meetings usually have programming specific for undergraduate research; more details about each conference can be found here:*
<http://www.apa.org/about/apa/organizations/regionals.aspx>

***The National Conference on Undergraduate Research (NCUR) is a wonderful multi-disciplinary meeting with a strong psychology presence (it's usually among the top disciplines represented). More details can be found here: http://www.cur.org/conferences_and_events/student_events/ncur/*

****CUR maintains a listing of undergraduate research conferences in all disciplines, including some multi-discipline conferences that are excellent for psychology students, such as Sigma Xi:*
http://www.cur.org/resources/students/presentation_opportunities/
