

of CUR has been pivotal in my development both as a faculty member and an administrator who values and seeks to advance and institutionalize undergraduate research, scholarship and creative inquiry. Having a diverse set of mentors with significant depth and breadth of varied experiences continues to help me navigate the puzzles presented in administration with a keen eye toward supporting our students and faculty.

1. GO TO CUR.ORG/ACTIVATE

2. MAKE SURE YOUR INSTITUTION HAS AN ENHANCED MEMBERSHIP

Check to see if your institution is an enhanced member by clicking on the blue button and searching for your institution's name.

3. FILL OUT THE FORM ON THE PAGE COMPLETELY

The electronic form will ask a few questions so that a CUR team member can get the process started and activate your membership profile.
