

Undergraduate Research and Student Success Outcomes

INTRODUCTION

- Undergraduate Research and Student Success Outcomes** 3  
– James LaPlant

ASSESSMENT

- Multifaceted Undergraduate Research Program Assessment Plan:  
Benefits, Challenges, and Utility** 5  
– Laura Pawlow and Kristen Sleeper

- The Impact of Early Participation in Undergraduate Research Experiences on  
Multiple Measures of Premed Path Success** 13  
– Paulette Vincent-Ruz, Joseph Grabowski, and Christian D. Schunn

- The Impact of Undergraduate Research on Academic Success** 19  
– Andrea J. Sell, Angela Naginey, and Cathy Alexander Stanton

- Comparing Two Models of Undergraduate Research Using the OSCAR Student Survey** 30  
– Stephanie L. Foster and Bethany M. Usher

- Examining Undergraduate Student Outcomes from a Community-Engaged  
and Inquiry-Oriented Capstone Experience** 40  
– Michelle Samura

PRACTICE

- A Model for Successful Cross-Campus Collaboration for Engaging  
Potentially At-Risk Students in Mentored Undergraduate Research Early in  
Their College Career** 48  
– Catherine W. M. Chan, Prajukti Bhattacharyya, and Seth Meisel

- Undergraduate Research in High-Altitude Ballooning at an Urban Community College** 57  
– Thomas B. Higgins, Bernhard Beck-Winchatz, Michael Davis, and Andrew Kruger

VIGNETTES

- Comparing Outcomes for Undergraduate Psychology Research Assistants  
and Nonresearchers** 66  
– Laura A. Pawlow and Elizabeth J. Meinz

- Undergraduate Research and Student Success:  
A Model for Cultural Competency as a Mediator** 66  
– Jacob Alan English and Christina Wan

<b>Engaging Academically At-Risk Student Populations in Research: Initial Assessment of an Undergraduate Research Certificate Program</b>	<b>67</b>
