

# Let's Get to know Meredith...

## Nicknames?

Nope! Meredith is what I go by.

## One thing most people wouldn't know about you...

I summited an active volcano!

## Undergraduate Research Experiences?

I did conduct research as an undergrad and was able to publish it and present at a conference. While I wasn't thinking about grad school at the time this definitely helped hone my skills in communication, editing and public speaking.

## Coffee or Tea?

I prefer coffee based on the sheer amount of caffeine I need to function. But tea in the afternoon is nice!

## Education?

I received my bachelor's degree from Elmira College and my master's degree from Harvard University.

I am excited for her to dive into our members and love the community like we all do!

MEREDITH RECTOR

COMMUNITY ENGAGEMENT MANAGER

I'm excited to have someone who will create a fuller image of what our membership looks like, how they prefer to be communicated to, and what content they desire.

I'm super excited to work with Meredith because she will bring a fresh set of ideas and a new perspective to the CUR Community!

I am excited for her to be our Division's staff ally and craft relationships and partnerships with them to better CUR offerings.

## Excitement from her colleagues...

I am really looking forward to getting to know Meredith on a personal level and excited to see/hear about where her next move will take her and home will be located!

I am excited to learn from her experience working with faculty and see it help with our community engagement strategy.
