## Let CUR Help You Secure Undergraduate Research Funding

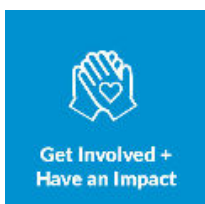

The process of securing funding for your research or program initiatives can present some challenges, but it can be a manageable and rewarding journey with some guidance. **Grant Dialogues**, February 11-14, 2025, is here to provide solutions and support. This online event brings together grant experts, federal agency program officers, and other funders to help you navigate the world of grants and funding. Whether you're just starting or need assistance along the way, Grant Dialogues is here to guide you on your funding journey.

### Agenda + Registration

*Registration is open until February 10, 2025.*

- The deadline to submit a proposal for **ConnectUR 2025** is Friday, January 17, 2025. The 2025 ConnectUR conference will highlight the role of undergraduate research in addressing important challenges and fostering positive change within communities and institutions. With the theme: The Power of Undergraduate Research: Solutions for a Better World.
- Make sure to register for these free CUR Conversations (a CUR Member benefit)
  - **Strategies for Competitive Award Applications** - January 28 at 1PM ET
  - **How to Leverage Social Media with CUR** - March 25 at 2PM ET
- We wanted to make our members aware of this upcoming NIH webinar: **NIH Research Enhancement Award (R15): What You Need to Know... And Recent Changes**

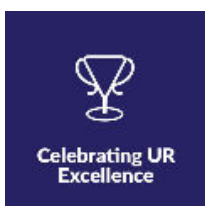

- In addition to the general call for submissions, SPUR Journal is seeking articles on **the responsible and ethical conduct of undergraduate research**.
- To support your efforts in advocating for undergraduate research within your state, we are excited to share a new CUR Member benefit: **Advocacy at the State Level** video.
- **This Week in Washington** provides an overview of upcoming events in Washington, DC that affect American education. TWIW is posted into the CUR Community every Monday morning that Congress is in session.
- Attend the **Community Engagement Meeting** to hear what CUR has been up to in the past year and opportunities for future engagement.

“[Grant Dialogues] was one of the most useful things I’ve done in the past 5 years. It was particularly helpful coming out of COVID and trying to get my research agenda back.”

- 2023 Dialogues Participant
